Sign Bylaw relief application – 28063 Highway 48

Council received the report regarding an application for sign bylaw relief for an existing billboard at 28063 Highway 48. Council approved the relief to permit the existing V-shaped billboard. The existing billboard has been in place for several years and the property has a long-standing history of supporting billboard advertising, dating back to approximately 1995. While the existing billboard does not fully comply with certain provisions of the Town's Sign Bylaw, staff are satisfied the requested relief is appropriate given the historical use of the property, the absence of public concerns and the continued benefit the billboard provides to local businesses.
